

## The SEQRET project within the Digital Europe Programme

Imran Khan Managing Director KEEQuant GmbH Dr. Jasper Rödiger QKD Specialist / Project Manager Rohde & Schwarz Cybersecurity GmbH

#### Consortium

**KEEQUANT SUBCONTRACTORS** 

PIC Design Expert

#### **EXATEL SUBCONTRACTORS**

Network field-test Experts

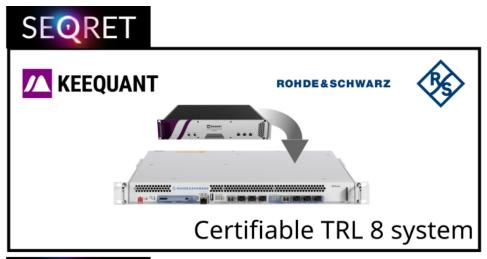

Network interaction analysts

#### Goals

- Industrial Quantum Key Distribution System (TRL 8)
- Next-gen QKD system using integrated photonics (TRL 7)
- QKD made ready for certification
- Full network system integration

#### System development overview

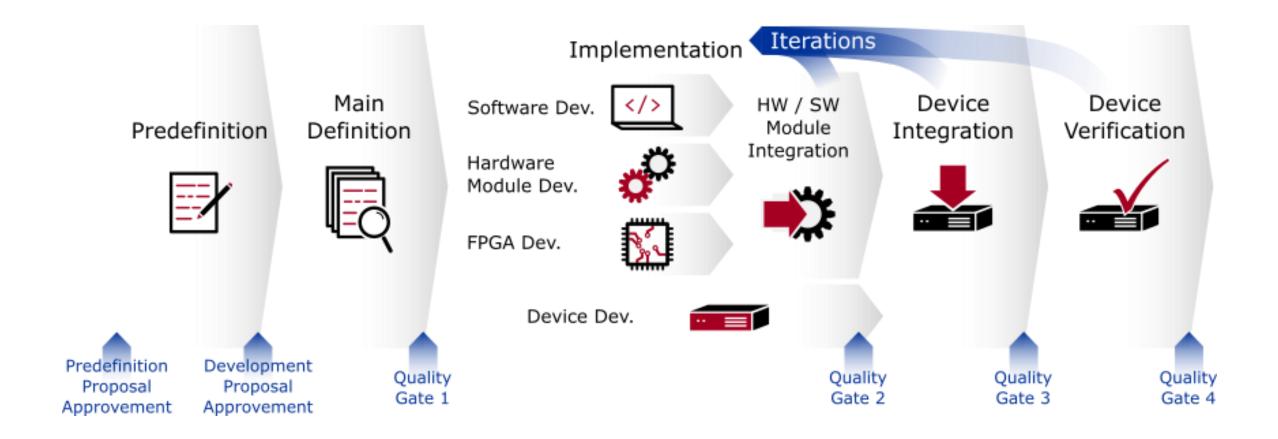

#### Industrial QKD system (TRL 8)

### Next-gen PIC-based QKD system (TRL 7)

Wafer fabrication & tolerance simulation

Photonic Chip characterization & test

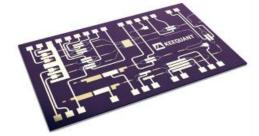

PIC Packaging

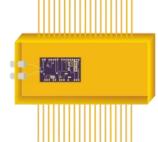

PIC in-system testing

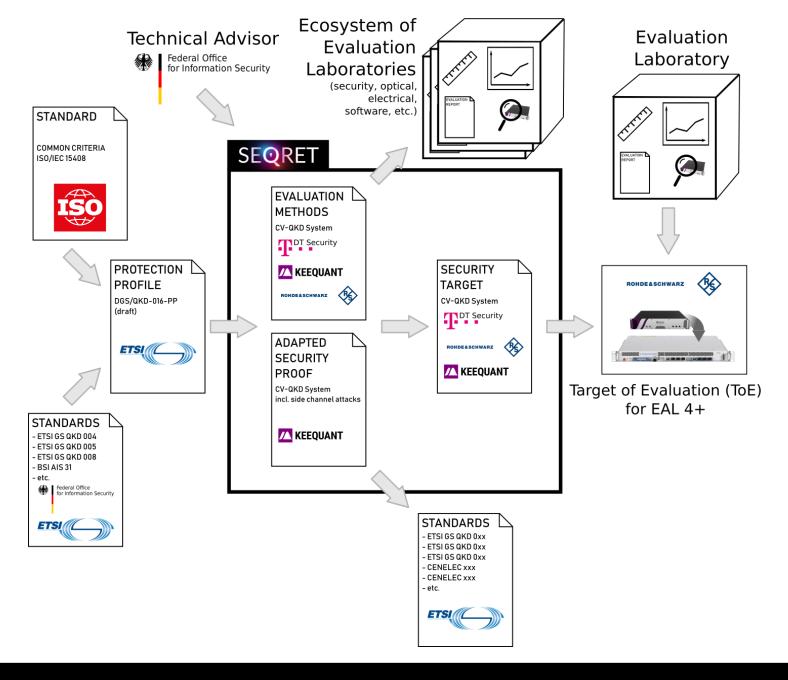

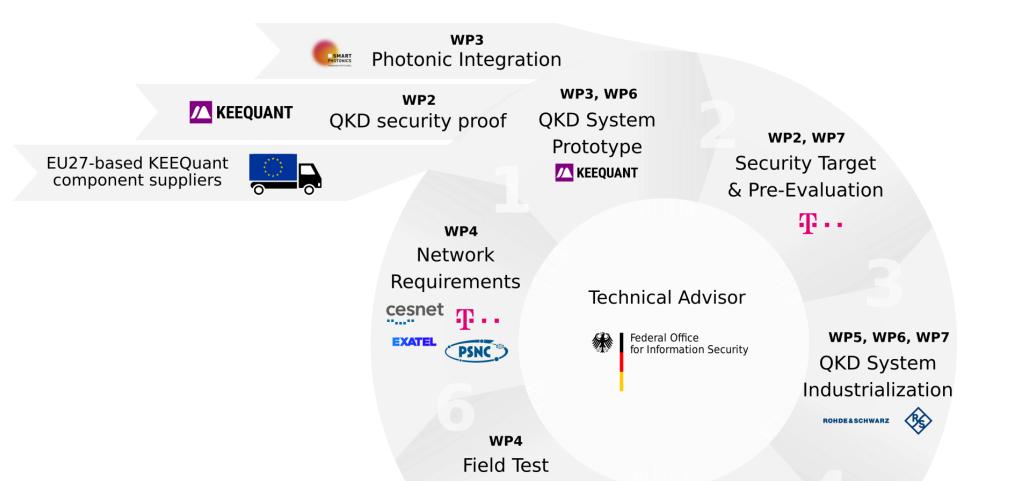

# QKD made ready for certification

cesnet

**EXATEL** 

PSNC \*

#### Project Structure

**WP8, WP9** 

**Customer Concept** 

and Business Model

dacoso

**Contactinformation** 

Project manager Imran Khan, imran.khan@keequant.com

Administrative contact Anja Kiefer, anja.kiefer@keequant.com

Co-Presenter
Dr. Jasper Rödiger, jasper.roediger@rohdeschwarz.com
